VERSE 2

Revival falls when we're willing to let God move as He's wanting
When we admit that we're broken, revival runs to bring healing

BRIDGE

Em **D/F#** **G** **A**
We won't be afraid to do what it takes to let You move
Em **D/F#** **G** **A**
We no longer will ignore the call we hear from You
Em **D/F#** **G** **A**
We won't be afraid to do what it takes to let You move
Em **D/F#** **G** **A** (Em D/F# G A)
And as You burn inside of us, we become revival too
